By a viva voce vote the motion was carried.

Mrs. Mason introduced the following resolution:

Whereas on account of the increased expenditures for relief and the financial condition of Coos County it was necessary for the previous Governor and Council to set up a fiscal agent under

the laws of the state for the City of Berlin and the County of Coos, and

Whereas the relief load continues to be heavy as evidenced by the expenditures and the report of the county officers, and

Whereas the Coos County delegation desires to know whether or not the report of county affairs is in agreement with and properly reflects the accounting of the fiscal agent, therefore

Be it resolved that the Coos County delegation respectfully requests His Excellency the Governor and the Honorable Council to make such inquiry as will enable them to prepare and give to the taxpayers of Coos County a brief, easily understood statement of how the financial affairs of the county are being conducted and accounted for, and that a report of the findings of this agent be forwarded to each member of this delegation.

Mr. Sullivan, seconded by Mr. Bagley, moved that the resolution be adopted.

Commissioners' Report

In compliance with the Public Laws of New Hampshire we, the Commissioners of Coos County, herewith present our annual report for the year ending Dec. 31, 1935, together with the reports of the Treasurer, Clerk of Court, Solicitor, Sheriff, Superintendent of County Farm, House of Correction and Jail, Physician, Auditors, Chaplain and Priest.

Another year has come and gone, bringing along its changes, joys, misfortunes, problems and a realization that, after all, we yet have cause to be the happiest people of any of all the nations in the world.

County Farm activities have been greatly increased during the past year with the largest total of inmates and prisoners on record and a marked increase in hospital patronage.

On August fifteenth, fire of unknown origin destroyed the cow barn built in 1903. Through the P.W.A. a grant of \$30,500.00 has been approved. With this amount together with funds appropriated by the county and received from insurance, it is expected that one of New Hampshire's most modern barns will soon be constructed, necessitating considerable work, which under Federal regulations must be taken from the relief rolls.

The road through Cambridge, between Errol and Upton, formerly maintained by the county has been completed and insures good travel to points in Northern Maine. This road has been taken over and in the future will be maintained by the State of New Hampshire.

The purebred Holstein herd at the County farm is being continually improved and a record farm crop has been harvested.

This, our constituents, is a brief review of some of the activities of your servants as County Commissioners. In serving you as such we have endeavored to give our best. Our duties and responsibilities have been greatly increased during the past year. But we should deem ourselves ungrateful if we should not take this opportunity to extend our sincere thanks and express our gratitude to the citizens of Coos County for the wholehearted co-operation and assistance given us, especially in our efforts to

relieve pain and suffering brought about by misfortune and circumstances, for which the individuals are not themselves responsible. It is very gratifying to realize that through the confidence of the people there has been placed upon us a real duty to perform and as fully do we realize that were we to fail in performing this duty in a humane, economic, and businesslike manner we would no longer be worthy of your confidence and trust.

We feel that we have been especially fortunate in securing the services of the personnel connected with the offices maintained in Berlin, Northumberland, and Colebrook, and to them we extend our sincere thanks for the faithful, untiring services they have rendered in carrying on this noble work.

In no less degree do we appreciate the efficient services of the staff employed at the County Hospital and Farm. We also wish to express our gratitude to the members of the County Delegation for making it possible in a financial way for us to carry on the affairs of the county.

We extend our thanks to all physicians, to Miss H. H. Albee, the Rev. J. E. Vachon, to all county, town, city and state officials for their kind cooperation.

Respectfully submitted,
CLARK E. SWAIL,
A. N. McCREADY,
J. A. POTTER,
County Commissioners.

We have examined the accounts of the County Commissioners of Coos County, and find that they have been accurately kept in respect of receipts and expenditures as set forth in detail in the foregoing statement, that they have exhibited a voucher for every expenditure. The County Treasurer, Mr. Harry Kilgore, has deposited with the Clerk of the Superior Court all bonds, coupons for interest and notes paid during the year 1936.

Report of Superintendent of County Farm

To the Honorable Board of Commissioners of Coos County:

We herewith submit the Annual Report.

For all assistance received during the year we are grateful. We thank Messrs Poley & Weber, who as Friends of the Disabled American Veterans, presented our hospital library with the 10 volume set of books, Progress of Nations, a highly valuable work.

The several newsdealers and individuals for the many magazines and cards, etc., which were so gladly received in all departments of this institution.

The Rev. H. H. Albee and the Rev. Father J. E. Vachon for their untiring attention to the spiritual welfare of both patients and inmates.

The Mohawk Ice Cream Co., the Halcyon Theatre, The Woman's Christian Temperance Union, the Colebrook Rotary Club, and all others for their many deeds of kindness and thoughtfulness.

Our appreciation to the staff for its faithfulness in the performance of all duties.

We suffered the misfortune to lose our barn by fire on August 15th, which resulted in much additional expense.

Respectfully submitted,

OWEN F. COLE,

Superintendent.

EUGENIA L. COLE,

Matron.
